

Truro Council on Aging provides transportation services, primarily to seniors and non-seniors, who have transport needs that are vital to their health and quality of life.

We provide this service to the best of our ability, but through the year there may be extenuating circumstances that cannot be avoided that could hinder our scheduling. For this reason, the options listed below are a wealth of information for those whose needs may not be able to be met through the COA. Call 508-487-2462
