I have read and understand Rule 13 of the Pamet Harbor Rules and Regulations (see below) and accept assigned mooring location.

Signed _____ Date _____

13. There shall be composed a Pamet Harbor mooring waiting list. The order of the list is determined by date of placement on the list, except for those previously placed on the basin waiting list by lottery conducted in 2002. These lottery participants shall have seniority over all others waiting for basin moorings, regardless of the dates they were placed on the list. A person need not hold a shallow water mooring to qualify for a basin mooring but must be on the list and meet other requirements as stated below. **All individuals who wish to remain on the waiting list must submit the required \$10.00 fee by June 30 of each year.** Failure to respond shall result in the removal of the subject's name from the waiting list. This fee will be an annual fee required to remain on the list. There will be a late fee period from July 1st – July 31st during which time failure to pay the required fee will result in a late fee of \$25.00. Failure to pay the waiting list fee by August 1st will result in removal from the waiting list.

When a deep-water spot opens up, (or one side of a float), the owner will then have the opportunity to choose from the first ten (10) people on the waiting list and must do so within two (2) weeks from notification by the harbormaster. The person chosen must accept / decline within one (1) week. If the current float owner does not want any of the top ten (10) people, the float owner will then forfeit his / her mooring space and be required to leave the Harbor within seven (7) days. The person chosen from the waiting list, who accepts the deep-water spot as outlined, will be required to provide proof of property damage and liability insurance to the float owner and harbormaster.

When a person from the shallow water moves to the deep water, the next person on the waiting list without any mooring will move to the new vacant mooring in the shallow water mooring field. If that person refuses the spot, he / she may remain on the waiting list, and the next person on the waiting list will be offered the vacant mooring.

The only exception to the waiting list policy will be if an owner gives his / her side of the float or mooring to an immediate family member which includes spouse, son, daughter, father, mother, brother or sister. A signed and notarized letter from the current owner authorizing the transfer will be required and must be delivered to the harbormaster in order to take effect. No other exceptions will be permitted.

When a space becomes available in the tidal mooring area, the following procedure will take place; Prior to referring to the waiting list, the harbor master will inquire of those currently moored in the tidal area if they have any interest in moving into the newly vacated space. For example, if a space becomes available in the tidal area, those currently in the tidal area will have first preference of that tidal mooring before someone from the waiting list is issued a spot. The desire of a mooring holder to upgrade will be indicated on the mooring renewal form at the beginning of the season.
