

Task	Phase/Task	East Harbor	Eagle Neck Creek	Pamet River TCR
Phase I	Project Initiation & Field Investigation	X	X	X
1	Project Kickoff Meeting (Town & stakeholders)	X	X	X
2	Existing Data Review	X	X	X
3	Site Survey	X	X	X
4	Tidal Study	X	X	X
5	Wetlands Delineation	X	X	X
6	Shellfish Survey	X	X	N/A
7	Subsurface Investigation	X	X	X
8	Develop Existing Condition Base Plans	X	X	X
Phase II	Supplemental Surveys, Preliminary Design Cost Estimates	X	X	X
9	Watershed Hydrologic & Hydraulic Modeling & Impacts	X	X	X
10	Resource Evaluation & Mapping	X	X	X
11	Alternative Analysis on culvert sizing, configuration, tide control	X	X	X
12	Scour analysis & mitigation	X	X	X
13	Geotechnical Analysis & Foundation Design	X	X	X
14	Proposed Project Costing	X	X	X
15	Preliminary Design & Field Investigation Report	X	X	X
16	Meeting w/Town & stakeholders to discuss Report Findings	X	X	X
Phase III	Final Design and Permitting	X	X	Not Authorized
17	Public Meeting to present proposed design & receive feedback	X	X	
18	Final Engineering Design, Plans, & Cost Estimates	X	X	
19	Environmental Permitting	X	X	
Phase IV	Bidding & Construction Phase Support	On Going ¹	On Going ²	Not Authorized
20	Develop Bid & Contract Documents	X	X	
21	Bid Support	X	X	
22	Construction Methodology Review (submittal review)	X	X	
22a	Pre-construction Vegetation Survey	X	X	
23	Construction Meetings & Oversight (actual construction)	Est Sum 2022	Est Sum 2022	
24	Environmental Compliance Review & Final Report	Est Fall 2022	Est Fall 2022	

x - Completed

N/A - Not Applicable

Est - Estimated Completion Time

TBD - To Be Determined

1 East Harbor - Construction is on going with completion by Summer 2022

2 Eagle Neck Creek - Construction is on going with completion by Summer 2022

- 3 Mill Pond - Depending a shellfish survey may be needed for permitting if significant dredging is involved.
- 4 Mill Pond - Preliminary Design Analysis is On Going with completion by June 30, 2022 (MA FY deadline)
- 5 Little Pamet River - Deliverables are complete but note that a simple Tech Memo is being prepared that will only include the Field
- 6 Little Pamet River - Meeting will be arranged if needed after the Field Investigation Tech Memo has been submitted.

Mill Pond	Little Pamet
