Meeting 4:20

1. Approved minutes of January 10, 2023
2. **Truro Open Space and Recreation Plan** - the final draft has been reviewed and typos have been corrected. The RAC has motioned to approve a letter of support of the Truro Open Space and Recreation Plan. The motion passed by unanimous vote.
3. **Walsh Presentation**- the presentation went well. The Walsh Committee voted to have a portion of 5 acres next to the school for recreational use. A Walsh committee member raised a hope for a community pool. Can we address the need for swim lessons? Could we tap into the pool of lifeguards to teach swim lessons? At Corn Hill or Ponds?  
Walking Trails- need for ADA compliance when possible, some boardwalks
4. **Discuss Truro After-School Program**  
Kate Belhm visited from Truro Family Group- The family group created a survey that wants RAC input in regards to the need for the After- School programming. The committee discussed the need for 6 grade and beyond activities and programming.
5. **Possible spring initiative/collaboration with Bikes and Walkways Committee**- Beth discussed an initiative to come together with Bikes and Walkways for a possible event helmet safety. Bike A-Thon and connection to the family group.
