Open Meeting Violation Discussion:

In response to an Open Meeting Law complaint filed with the Town Clerk on August 22, 2017 regarding the August 14, 2017 Board of Assessors meeting, Ms. Palmer said she had requested Town Counsel to prepare a response, with acknowledgement of violation, and would be providing meeting agenda and minutes. Mr. Forgione felt this put the impartiality of the Board in question. Ms. Palmer answered that it will be addressed in the response. Mr. Palmer said it was a basic situation of use of a previous agenda format that is no longer acceptable, that it's now been updated. Ms. Palmer responded there would be Open Meeting training held in the future.
