(mac)

Minutes unanimously approved.

Discussion of sponsorship of CPC article to update Puma Park and make a multi-generational, handicapped accessible site:

Leathers Associates, the original designer of Puma Park, charges a hefty fee for coming here for a consultation on upgrades.

Members looked at the ground cover at TCS and thought that is appropriate for Puma Park instead of wood chips.

Paint, awning styles for shade and an interactive wall were all discussed.

Americorps may be able to provide some of the labor.

Susan Howe will complete the CPC application and submit.

Meeting adjourned at 3:50PM.

Next meeting is November 18, 2016 at Truro COA at 3 PM.

Respectfully submitted,

Margie Childs
