Housing Authority

P.O. Box 2030, Truro, MA 02666

Minutes of the Truro Housing Authority Meeting 30 January 2015

Present from THA: Carl Brotman (chair), Jeannette de Beauvoir, Jay Vivian, Mary Rose.
Others: Mary Abt, Jane Lea, Paul Witsozky, Chris Vazquez, Margaret Childs

- 1) Meeting called to order at 15:34.
- 2) Joint discussion with Highland Affordable Housing of options for educating community about affordable/community housing (purpose of affordable housing, impact on community, ensuring that young, disabled, and older people can stay in community) and *we* need education about issues within our community. Also noted need for a brochure and the possibility of working with other housing authorities on a regional basis was brought up.
- 3) Review of meeting minutes from December 17 as well as from November 21.
- 4) Habitat's property: moving forward toward settlement.
- 5) Carl Brotman reported that various concerns about the 340 Rte. 6 town property had been raised by an abutter and by the president of TNRTA. He said that it would be necessary to explore them thoroughly and this would very likely mean that we would not be placing an article on the warrant at the next Town Meeting.

Meeting adjourned at 17:00 (Jeannette moved, Mary seconded).

Respectfully submitted,

Jeannette de Beauvoir, clerk & secretary
