

Minutes

Name of board: Recycling Committee
Date of meeting: Thursday, January 8th, 2015
Time of Meeting: 2:00PM

Norman Scherer, Jessica Mateik and Christopher Czekaj in attendance.

Minutes from the December 11th meeting approved and signed.

Discussion as to the feasibility and the logistics of composting at the Truro transfer station.

New business proposed:

The possibility of the availability of a budget to distribute educational information throughout the community.

The stripping down of computers and other electronics for copper and other metals.

The possibility adding information to the town website.

Putting up a sign in the truro swap shop to try and attract more members to the recycling committee.

Jessica Mateik will be away from February through March, so meeting will have to be postponed for those months.

Next meeting scheduled for Thursday, April 16th at 2:00PM.
