5.3 Business Administrator: FY21 update

6. Subcommittees:

7. Unfinished Business:

7.1 Policies - Third Reading (adoption) of GCK (Professional Staff Assignments and Transfers), BDG (School Committee Review of Procedures), and JLBC (Immunization of Students). **A vote to adopt is recommended.**

7.2 Capital Improvement Plan - The draft attached continues our practice of making exterior improvements year-by-year. DPW Director Jarrod Cabral has suggested we consider a single, more inclusive project next summer instead of the incremental approach. We are researching the cost, and are open to whichever approach the Town favors. **A vote to approve the CIP is recommended.**

7.3 Superintendent Search - Jim Hardy has been asked to provide the documents he mentioned during the Nov. 12 presentation. The discussion of how best to proceed will continue.

7.4 Budget Transfers - Mrs. Harper will provide recommended transfers by mid-week. They may reflect either actual expenses from Nauset and the Collaborative, or our best estimate, based on prior years. **A vote to approve is recommended.**

7.5 Continue Assistants to the Principal - As our in-person enrollment grows, and the virus' resurgence continues, the two assistants have remained important, ongoing contributors to our operations. Mrs. Costigan is preparing a request to continue their service. It will be provided to the Committee by mid-week, and **a vote to approve is recommended.**

8. New Business:

8.1 Accept Donation - a donor who wishes not to be identified has offered a nearly-new Chromebook. It can be prepared for use by a student. **A vote to accept the gift is recommended.**
