August 26, 2014

Dear Truro Central School Parents,

As the Summer Rec. program draws to a close, I would like to let you know that the Pam-et After- School program will start on Tuesday, September 2<sup>th</sup>, 2014. If you are not familiar with the program, the Pam-et After School program, or P.A.S., serves children in Kindergarten through sixth grade that either reside in the Town of Truro or utilize the school choice option to attend school in Truro.

The cost of the program is only \$8.00 per child per day. There is a \$2.00 per day discount if the child is registered us the Thursday before for the upcoming week.

Each month we have a different “theme” and build our enrichment activities around it. The children will not only have their homework done when they are picked up, but will also have fun while learning! Our theme for September is “Fall Back.” It will feature leaf painting, scarecrow making and apple tasting.

The Pam-et After-School Program strives to provide a safe, supervised environment for children in the Community of Truro to learn and grow. The program strives to provide an environment where children are challenged and supported academically, learn about and participate in healthy lifestyle choices, and receive the opportunity to participate in enrichment activities and community service. Through positive role-modeling and positive reinforcement, our Program will help to promote the resiliency, growth, and development of children.

P.A.S. will be open at the close of the Truro Central School day. The children will be bused from Truro Central School to the Truro Community Center. The program runs until 5:30 pm. P.A.S. will be closed when Truro Central School is closed for holidays and inclement weather.

The registration forms and our September calendar can be found on the Truro Recreation website under “programs.” Also, you may pick up registration forms at the Truro Community Center, located at 7 Standish Way, North Truro. All children must fill out a registration form before the first day of P.A.S. I look forward to seeing all of your children this year! If you have any questions, please feel free to email me at [pascoordinator@truro-ma.gov](mailto:pascoordinator@truro-ma.gov) or call 508-487-1632 ext. 26

Thank you ,

Jennifer Flanagan
