

# The T-Rec T-Rex

Week 1

The “Rec it Truro” Summer Program started off with a bang as children of all ages gathered for a great time. The smiles on the campers’ faces lit up the day when they created handprints on the classic “Truro Recreation” Banner

Ice skating was the first field trip of the summer and the positive attitude from the younger age groups was incredible. If they fell, you could be sure they were going to get right back up.

The day followed with a western theme that had the kids dressing in creative ways along with their cowboy hats and bandana masks.

The end of the week followed the theme of “Recing it” when campers 10 and younger completed the angry birds challenge by breaking boxes and having a great time while doing it

Sadly, due to a minor thunderstorm, the inflatable park that was supposed to take place the day after western day, was rescheduled. Luckily, the day was grin worthy and fun for counselors and the kids that were there.

The T-Rec T-Rex is brought to you by the Teen Program
