## This week's activities of note from the Town Manager's Office

- Thank you to everyone that came to Truro's Annual Town Meeting last Saturday. We had 243 voters in attendance (roughly a 12% turnout). We appreciate the patience demonstrated by the attendees and their willingness to adhere to safety protocols. A special thank you to the Moderator, the Board, and the staff for their efforts in planning and executing this new Town Meeting format.
- Truro's Fiscal Year 2021 tax rate was successfully certified by the Department of Revenue thanks to Principal Assessor Nahas and Town Accountant Brazil. The Residential rate is \$7.38 and the Commercial/Industrial and Personal Property rate is \$7.12. Tax bills will be mailed in the coming weeks.
- This week, we said goodbye to Rae Ann Palmer, who served six (6) years as the Town Manager for Truro. She will be missed by the Truro community and we wish her all the best in her retirement. During her tenure, Rae Ann remained deeply devoted to the citizens and visitors of the town, as well as to staff, board and committee members, and state and local leaders. Most recently, as a testament to her dedication to public service, Rae Ann delayed her planned retirement to meet the ongoing public challenges faced by our community due to the COVID-19 pandemic. Her sense of duty, when coupled with her resourcefulness and willingness to work collaboratively, resulted in Rae Ann's many local accomplishments and positive impacts. She assembled and strengthened a great team, and championed administrative efficiency, technological advances, and environmental improvements, to name just a few of them. Please join us in congratulating Rae Ann on a great career and wishing her well in her next chapter. ([See photo](#))
