From: Select Board

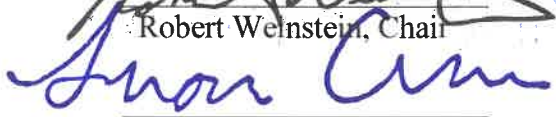

To: Shellfish Advisory Committee

In accordance with the Truro Town Charter, Chapter 6-4-4, the Select Board charges the Shellfish Advisory Committee with the following:

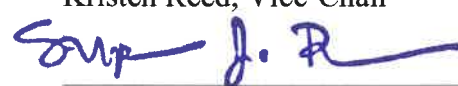

## Shellfish Advisory Committee

1. The mission of the Shellfish Advisory Committee is to work with the Shellfish Constable to promote the propagation of shellfish in the Pamet Harbor area and along the beaches of Cape Cod Bay, including the Aquaculture Development Area. The committee will also assist the Constable in recommending to the Select Board regulations designed to control the harvesting of shellfish by Truro license holders in a fair and equitable manner.
2. In addition the committee shall collaborate with the Pamet Harbor Commission to develop policies for the consideration of the Select Board which are designed to foster a balanced use by the public of the natural resources of the Pamet Harbor area.
3. The committee shall appear as requested before the Select Board to give a verbal and/or written account of its doings.
4. The committee shall consist of five members who shall serve for staggered three-year terms. In addition there shall be two alternate members each of whom shall serve for a one-year term. Alternate members shall be appointed by the Select Board annually before the commencement of the next fiscal year.
