

Landfill Solar Project Dashboard

updated **Nov 30, 2025**

This public information is strictly informational, with no opinion expressed, and not for discussion or deliberation outside an open committee meeting.

EC, CAC, and other members of the public have expressed interest in tracking the progress of the landfill solar project. So you can follow along at your convenience and stay up-to-date with its progress, here is the schedule worked out with Solest Energy to get the project to the safe harbor finish line (end of August). As progress is made, on both the Letter of Intent (LOI) and the Purchase & Installation (P&I) agreements, action items will be checked off  and information of interest will be added, with next steps indicated .
