OUT OF SCHOOL TIME PROGRAM

ABOUT OSTP

The OSTP Program occurs during the academic school calendar year free of charge for all TCS students and Truro residents. The OSTP is held afterschool on regular school days and half days and holds full days on professional development and vacation weeks (excluding town-recognized holidays).

This program emphasizes project-based learning, academic support, social and emotional development, along with creativity and active exploration. It aims to foster both intellectual growth and personal development in a dynamic, engaging environment. This is achieved through various hands-on experiences that will nurture curiosity and community, such as homework, playtime, nature exploration, gardening, and much more!

The staff additionally oversees the summer rec program, childcare for Town events such as town meeting, and plans and leads community engagement events such as the Turkey Trot, Easter egg hunt and much more.

REGISTRATION

All first-time participants must complete an OSTP Membership Application prior to registering for any OSTP programs. During the academic year, OSTP registration occurs on a monthly basis and opens two weeks prior to the first of the month. You may select any number of days during that month. The summer rec program is a separate registration.

For a membership application and current offerings, please view our [Registration Page at
www.trurocommunityservices.com](http://www.trurocommunityservices.com).

Program Schedule

- Regular School Days: 2:50 - 5:30pm
- Half Days: 11:30 am to 5:30 pm
- Professional Development Days: 8:30 am to 5:00 pm
- Vacation Weeks: (Excluding town-recognized holidays) 8:30 am to 5:00 pm

OSTP MONTHLY HIGHLIGHTS

SEPTEMBER THEME: WORKING TOGETHER TOPIC: IMPROVING COMMUNICATION

During September, the students settled in and dove into the theme of communication. They participated in engaging activities that explored non-verbal communication and active listening, and even took part in interactive gym exercises to build teamwork and connection.

OCTOBER THEME: WORKING AND HAVING A JOB TOPIC: THE WORLD OF WORK

During October, our students had the opportunity to learn about a variety of careers through visits from different professions. Each guest shared what a typical day in their job looks like and provided hands-on activities for the students to explore. In addition, the students created their own resumes and researched different careers they might be interested in when they grow up.

Thank you to all the visitors who took the time to speak with our students and share their experiences.

OSTP MONTHLY HIGHLIGHTS (cont.)

NOVEMBER THEME: WHAT WE DO OUTSIDE OF SCHOOL TOPIC: FAMILY, COMMUNITY, FRIENDS, AND CULTURE

During November, our OSTP students took time to explore the many connections they have within the town of Truro. The main focus for this month was community. Their goal was to provide something to the community that everyone can enjoy. Together, they decided to re-paint the benches at PUMA Park to give the space a fresh, colorful look. The students worked hard all month long to make this project a success, and their efforts have truly brightened up the park for everyone to enjoy!

MONTHLY COMMUNITY PARTNERSHIPS

W.H.A.T THEATRE

Each month, students receive a two-week visit from the Wellfleet W.H.A.T. Theatre Company.

During this time, they engage in acting exercises, interactive games, script reading, and learn the logistics of putting on a show. The students become deeply involved in the process and always look forward to these sessions.

GARDENING

Every Tuesday, students assist with Sustainable CAPE to help keep the Truro Public Garden thriving. Along the way, they also got to enjoy the fruits and vegetables of their labor. They had another fantastic season and cannot wait to get back in the garden in March.

Be on the lookout for projects in January and February.
