The meeting commenced at 6:10 p.m. with a quorum and covered the following agenda:

1. **Meeting minutes** of the May 5, 2015 and May 26, 2015 meetings were approved.
2. **Public comments:** None.
3. **Cape Cod Commission Status Update:** Martha Hevenor (Cape Cod Commission) and Lauren McKean (Cape Cod National Seashore) presented three alternatives for the "stem" route from the terminus of the rail trail at LeCount Hollow to Provincetown. Options for branch routes in Truro were reviewed and the committee provided feedback. A revised document for the branch routes will be made available to the committee for further review and comment. The position of the CCNS on the off-road route options in Truro is that the length of the rule making process is prohibitive and that environmentally sensitive, historic, and pre-historic areas would be impacted.
4. **Mass DOT letter for Route 6 bike lane markings:** Tabled.
5. **Outer Cape Bike and Pedestrian Master Plan status:** The draft letter from BWW to the steering committee on recommendations for the route through Truro will be reviewed at the next meeting.
6. **Bike rodeo** to be held June 23, 9:00 AM at the Corn Hill Beach parking lot.
7. **Next meeting** is scheduled for June 30, 2015 at 6:00 p.m. at the Truro Public Safety Facility.

Adjournment: The meeting adjourned at approximately 8:00 pm

Respectfully Submitted,
Eric Mays
