Community Discussion Moderated by Paul Wisotzky

1. What does the Seashore District mean to Truro?
2. What are our shared concerns about protecting the Seashore District?
3. Are you concerned about the potential for large-sized houses to be built in place of smaller houses in the Seashore District?
4. Are there other concerns about protecting the Seashore District that you would like to raise?
5. Do any of the concerns you have about protecting the Seashore District apply town-wide?
