Minutes of the Truro Housing Authority Meeting 23 October 2014

Present from THA: Carl Brotman (chair), Jeannette de Beauvoir, Mary Rose, Mark Wisotzky.

Others: Paul Wisotzky, Charleen Greenhalgh

- 1) Minutes reviewed and approved.
- 2) Carl noted that Barnstable County has a central clearinghouse for available affordable housing data. We'll get the link placed on our site so that we can refer future applicants to it.
- 3) Discussion of planning for a housing needs assessment/survey for senior housing. Importance of having data rather than opinions for dealing with issues; this would also enable us to get our housing plan approved. Information could be used in a myriad of ways. Decision taken to ask selectmen on November 12th for money from housing trust to cover assessment.
- 4) Project updates:
 - a. 340 rte. 6 project: Site assessment is underway (Keith Hernandez). Will be finished November 15th and we can review the report at that time.
 - b. 181 rte. 6 project: Habitat attorney proposed a cutout to buffer; no response.
- 5) Update on CPC application for land-acquisition funds.
- 6) Discussion of housing forum May 9, 2015. Reviewed how similar forums worked recently in Wellfleet and Provincetown. Plan to put together a working group that will include other agencies.
- 7) Date for next meeting: TBD as Carl gets other parties involved.

Meeting adjourned at 5:45 pm.

Respectfully submitted,

Jeannette de Beauvoir, clerk & secretary
