Survey Update.

- The survey has had over 500 participants thus far, and at the moment is skewing towards older participants who live here year round.
- Committee had a conversation about how to engage other factions of the Truro community, including connecting with the Truro parent family group about posting on the FB page (Mara is going to do this), reaching out to Helen Addison about posting in the Truro FB group, handing out postcards/bookmarks out at the library with link to the survey, putting the survey as a pop-up on the town of Truro homepage, and the possibility of recording a video about the survey and why it matters.
- Additionally, we discussed tracking IP addresses to root out duplicate surveys

Stakeholder Participation.

- Sharon Rooney took us through the survey about stakeholders and the committee had a robust conversation about how to go about identifying stakeholders
- Survey will be emailed and discussed at the next meeting.
