Re: February 9 School Committee Meeting

Calendar – The enclosed school calendar simply adjusts this year's to 2016-17. No significant changes.

Transportation – After working with the Collaborative for a year and a half, I will say I am pleased with their service. In addition, Nauset is in discussion with them to take over their routes, which likely would establish a vehicle service operation in North Eastham. I recommend we explore a new three-year agreement with the Collaborative, with the option to extend it for two additional years (the same as the current contract). If the Committee allows me to proceed, it will not commit us. A vote to approve a specific contract would come later, hopefully in March.

Reports – I'll have a report on the meeting Bob and I had at Nauset Middle School with Superintendent Conrad and Principal Minkoff; recent discussions with the Tuesday Bunch, the TCS staff I use as a sounding board; and next year's federal poverty numbers (Title 1).

Policy Meeting – The Subcommittee met this morning. We may have drafts to distribute, for approval in March and April.
