1. Said permit shall be issued by the Town Administrator.

2. Said permit issued by the Town Administrator on behalf of the Board of Selectmen must be current and valid.

3. The Town Administrator shall forward the application to the Director of the Department of Public Works, the Beach Supervisor and/or the Conservation Agent for review and comment.

4. The Contractor shall submit proof of Certificate of Liability Insurance in the amount of $1,000,000 and/or a bond or other form of security to be determined by the Town Administrator upon approval of application and the release of permit. The Workers’ Compensation Insurance Affidavit must be completed with a copy of the Workers’ Compensation Insurance policy showing policy number and expiration date.

5. The parking area and beach access, if applicable, shall be inspected by the Director of the Department of Public Works and the Beach Supervisor prior to any equipment or materials being off-loaded on any town-owned property. Upon completion of the project, an inspection shall be conducted by the Director of the Department of Public Works and the Beach Supervisor. If damage to town-owned property from the scope of the project is observed by the Director of the Department of Public Works and the Beach Supervisor, the Contractor shall promptly make all necessary repairs.

6. A layer of sand or other suitable material(s) shall be deposited on areas designated by the Director of the Department of Public Works, or his designee, prior to the offloading and reloading of equipment and materials. In no case shall the equipment or materials block any access or driveways and shall be so located, as much as possible, away from any dwelling(s). Sweeping of the area, at the contractor’s expense, shall be required.

7. The entrance of the beach parking and beach area, if applicable, shall be maintained daily.

8. If and where deemed necessary by the Director of the Department of Public Works poles and posts marking the edge of pavement shall be removed prior to use of the beach slope and returned to their original position upon completion of the project by the contractor. 9. Any damage to the facility shall be the responsibility of the contractor to repair to the original state, including, but not limited to, cracking or destruction of pavement, scraping, holes, destruction of concrete posts, telephone poles, or replacement of sand.
10. The contractor shall be required to pay to the Town of Truro an application fee in the amount of $25.00.

11. A project using the town facility may be conducted during the period of October 15\textsuperscript{th} through April 15\textsuperscript{th} (the “season”). The permit is good for the time specified on the application.

12. The Board of Selectmen shall set conditions, including but not limited to, the times of days work may commence, the days of the week, etc.

13. Every contractor and property owner applying for a staging permit to use Town property shall be provided with a copy of these regulations and shall be asked to execute the acknowledgment and application which appear on the following page.

14. This permit does not grant any property rights or any exclusive privileges; it does not authorize any injury to private property or invasion of private rights or approve or imply the approval of access over privately owned properties, including but not limited to the Cape Cod National Seashore.

15. In all cases, the Board of Selectmen may waive any of these provisions.

16. Emergency permission to use Town property may be approved by the Director of the Department of Public Works, Beach Supervisor, Chief of Police, Conservation Agent and/or Health Agent; however, an application must still be made to the Board of Selectmen.

17. Failure to comply with any or all these regulations may result in the suspension and/or revocation of Staging Permit privileges.
