8.3 Approve ½ day early release - Mr. Beaudet has requested an early release day on Friday, January 26, for a workshop on differentiated instruction provided by Dr. Mag Giffune. Mag has worked with us for the last year-and-a-half in the Collaborative's Cape-wide program to support improved academic intervention services. We have found that half-day professional development has been effective over the past two years, and will be building more such days into the 18-19 calendar. A vote is necessary to approve this early release.
