8. New Business:

8.1 After School program - Town Manager Rae Ann Palmer informed us on August 20 that Recreation has not found sufficient staff to provide the after school child care they have in the past. This word followed an August 3 meeting with Assistant Manager Kelly Clark and Rec Director Damion Clements, at which we discussed the possible staffing problem, and we agreed to advise school staff of the vacancies, and consider how the school might be flexible in our staffing schedule if a school employee expressed interest. As the agenda is being prepared, we have expressed willingness to meet with Town and Rec administration again to see what options are available to meet the ongoing needs of children with working parents. This topic is on the agenda to allow the Committee to take a vote, if it wishes to do so, or to consider any developments that occur between the agenda's posting and the School Committee meeting on August 28.
