Truro Climate Change Action Committee

8-26-19 Meeting Agenda

Item Number	Topic	Who
7	<p>Review the following suggestions for future meeting discussions. Note that we probably won't get through these at a first meeting and may agree to table this discussion for a future meeting.</p> <ul style="list-style-type: none"> • A plan for the reduction of Carbon Emissions in Truro • Education and outreach as well as research into the vulnerabilities mentioned in the charge • Plan liaison with other groups/committees inside and outside of Truro Town Hall: id groups, agree on liaison goals, set template for asking for input • Determine if we want to be a clearing house for all climate change activities for Truro (collaborate/publicize/centralize information sharing, but not ownership of all activities) • Share and record all ideas members have for specific work that can be done by the Committee, Town, and community, regardless of feasibility • What do we hope to achieve in the next 3/6/12 months? • Identify grant resources • Identify what we need to learn and how to do the research • Agree on some best practices for how to conduct meetings, make decisions, and communicate between meetings 	All
8	Suggestions for the next agenda and adjourn.	All
