6. Subcommittees:

7. New Business:

7.1 Superintendents' Association induction program - The state association offers an induction program to new Superintendents that includes regular support from a mentor. It is recommended that Mrs. Costigan participate.

8. Unfinished Business:

8.1 June 28 meeting - The sole business anticipated on June 28 will be the bid award on the siding project, assuming Town Meeting approves funding. The low bid is within the requested appropriation. The meeting need only be remote, with a one-item agenda. Earlier in the day is better, in that it will allow a contract to be signed right away. What time might a quorum be available?

9. Other:

10. Executive Session: There will be two executive sessions: one to discuss contract negotiations with union personnel; and a second to discuss contract negotiations with non-union personnel. The Committee will return to open session to ratify any votes taken.

11. Adjournment:
