Agenda Item: 1A1

Dear Property owner,

Please find the attached rental registration application for 2022. This year there are three new requirements due before the end of the 2022 rental season. This is to align with Board of Health Regulations passed July 2021 as well as Tax Collector compliance.

- 1) Occupancy format changed to align with approved septic capacity for properties. Area of available sleeping quarters is not used. You now provide the legal number of bedrooms only based upon what your septic system is designed for.
- 2) Each property owner indicates that real estate and personal property taxes are up to date (page 2 of application).

3) For Private Well Only:

Submit a routine analysis of your drinking water. Sample results must be from within the last calendar year.

- a. Water test kits are available at the Truro Town Hall, in the Health Department downstairs. For information about how to test your water, please visit the Health Department website at: [Water Testing for Private Wells | Truro MA \(truro-ma.gov\)](https://www.truro-ma.gov/Health-Department/Services/Well-Testing)

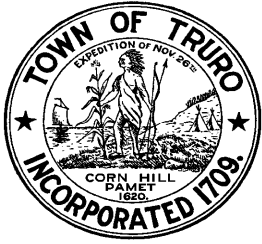

Receipt and accuracy of these items will be required for your 2023 application. A short-term rental software program will be in use to e-mail you if your application has been flagged for missing requirements.

Rental certificates will not be issued until the required information has been submitted starting in 2023. To avoid delays and possible enforcement actions we ask that you email us if you have any questions about this process.

Cheryl Best has served the CRC very well during her term.

As Clerk of the Committee, she has been diligent in all the duties, including thorough and timely minutes.

She has volunteered for tasks that require considerable time and effort, without which the Committee would not be able to be effective.

Her insights and local government experience have been valuable and would continue to be valuable going forward.

I recommend her reappointment.

Hi Noelle,

For the Selectboard:

Dear Selectboard Members,

Ginny Frazier has been a fine addition to the Zoning Board of Appeals since her initial appointment. Ginny has shown a strong interest and aptitude for Truro zoning matters. She has an excellent attendance record at meetings where her attention and patience is helpful and her thoughtful comments are constructive and salient. I urge you to reappoint her to a full term on the ZBA.

Thank you,

Hi Noelle,

I could not add to the PDF, so will write two paragraphs you can paste into the appropriate documents.

I am writing in support of the reappointment of Chris Lucy to the Truro Zoning Board of Appeals. He has been a valuable member for several years and now acts as the Vice Chairman. He is diligent and thoughtful and has a depth of experience and knowledge that adds greatly to our deliberations. Our town will be well served by his reappointment.

Sincerely,

Art Hultin, Chairman

Good Morning Art,

The ZBA has two members whose appointments expire June 30, 2022 (Ginny Frazier and Chris Lucy).

We have reached out to these two members and have asked that they send in their paperwork to be considered for reappointment.

To date, I have received Chris Lucy's.

I also have received an application to serve on the ZBA from Nancy Medoff.

I have attached both Chris and Nancy's applications. Either write your comments on each application to serve and return to me, or send two separate emails with your comments on both applicants.

Thank you!

What Board/ Committee Are You Applying For?

ZBA

Briefly Describe Why You Wish to Serve on This Board or Committee:

Thank you for your consideration on my appointment to the ZBA. I believe my work on the Charter Review Committee, the Economic Development Committee and the Energy Committee, brings an understanding of town governance and the roles, responsibilities and synergies of the various elected and appointed boards. With my work serving on the Energy Committee, I bring a unique perspective when considering proposals that may come before the ZBA and the impact on our environment. Our work on the Economic Development Committee encompasses local community feedback, the needs of our Truro businesses, and land use. As this work winds down, I anticipate that several initiatives will be reviewed and adopted by the Select Board and the Town, and my work on these committees further qualifies me to consider and deliberate responsible growth while safeguarding our environment. I believe my keen interest in listening, my ability to be objective when faced with difficult decisions and my professional track record for building consensus and leading multi-body projects will help me add value to the ZBA. This town is approaching a tipping point as it relates to land use, building, permitting and growth, and this continues to impact zoning appeals, businesses, home ownership and the people in our town. I would very much like to be a part of the solution.

I support the appointment of Nancy Medoff to the ZBA. She and I have discussed her desire to continue her civic service to Truro by participation on the Board. She has a wide range of experience in her professional career and has served effectively on other Town committees and groups. Nancy will bring a thoughtful perspective to our meetings and to our decision making responsibilities.

My initial reason for joining was to protect Truro's environment. and for this board our jurisdiction is land close to any waterway from vernal pool, rivers, ponds to the ocean. There are different measurements for river and coastal banks. The rules and regulations guide us in making decisions. I have learned so much about Truro. And because of this committee I have met a wide rang of its citizens that I otherwise would not have. I treasure the fragility of this land. I have time and energy for this committee. Giving back to protect this land is important to me.

As I relayed in my first application, the well being of Truro's unique and fragile ecology are of deep concern for me. Briefly list your experience working on a committee or team. This can be professional, town, volunteer, charity, etc.

I worked for 2 years on the Truro Recycling Committee. We worked with Jarrod Cabral on planning and preparing for the opening of the new Swap Shop. After the momentous ribbon cutting, each of us members worked one day a week at the shop. We collaborated well and made sure the shop was well organized and staffed. I've participated in 2 months of site visits and meetings for the ConsCom. This is a great group of people who work well together and learn from each other. I've jumped in with both feet, asking lots of questions and diligently working to understand both the big picture and the nuances of the work of this Commission. Prior to my town service I have a lifetime of working as a member of a team. From my participation in SEA Semester, during which I was at sea for 6 weeks with 30 others, sailing a 100ft vessel outfitted for marine research to being a founding member of a collective farm on Vashon Island - where 10-12 of us farm 1.5 acres together for 9 months of the year. Community collaboration has been a strong goal and value of mine since I was a child attending Quaker summer camps. I see this as the only way forward in these difficult times.

Briefly list any other relevant experience such as professional work, training, education, etc. A resume is NOT required. If you choose to attach a resume, it will become a public document.

In my eclectic and varied undergraduate education, I studied, among other things: Biology, Geology, Astrophysics, Marine Science and Alternative Energy. I've had a life long interest in environmental preservation and conservation. I worked for a certified arborist for several years. As mentioned above I have been involved in small scale agriculture for the past 15 years - nothing teaches one about the earth, better than the earth itself.

TOWN OF TRURO

Select Board Agenda Item

DEPARTMENT: Administration

REQUESTOR: Noelle Scoullar, Executive Assistant

REQUESTED MEETING DATE: June 28, 2022

ITEM: Approval of Sales Price for Ice Sales

EXPLANATION: The Harbor/ Shellfish Department has sold prepackaged bags of ice at the Harbor and the Recreation/ Beach Department would like to sell prepackaged bags of ice at the Beach Office, as a convenience for community members and a potential revenue source for the Town's Receipts Reserved Accounts. The Departments are requesting approval of the sales price for the packaged ice. Prepacked ice and the storage coolers are provided by the vendor. Sales transactions are conducted by Town of Truro staff. The appropriate Food Service Permit for Retail Food was approved by the Board of Health on June 21, 2022.

The proposed prices are:

\$3.00	5 lbs. bag of ice
\$6.00	11 lbs. bag of ice

FINANCIAL SOURCE (IF APPLICABLE): Recreation/Beach budget and Harbor budget. Receipts deposited to respective Receipts Reserved account.

IMPACT IF NOT APPROVED: Ice sales not available at these locations and no additional revenue collected.

SUGGESTED ACTION: *MOTION TO set the sales price for pre-packaged bags of ice at \$3.00 for five-pound bags of ice and \$6.00 for eleven-pound bags of ice.*

Gentlemen:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

We have further determined you are not a private foundation within the meaning of section 509(a) of the Code, because you are an organization described in section 509(a)(1) and 170(b)(1)(A)(ii).

You are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. You are not liable for the taxes imposed under the Federal Unemployment Tax Act (FUTA).

Since you are not a private foundation, you are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes under sections 2055, 2106, and 2522 of the Code.

If your purposes, character, or method of operation is changed, you must let us know so we can consider the effect of the change on your exempt status. Also, you must inform us of all changes in your name or address.

If your gross receipts each year are normally more than \$5,000, you are required to file Form 990, Return of Organization Exempt From Income Tax, by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, for failure to file a return on time.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service. Please keep this determination letter in your permanent records.

Sincerely yours,

WILLIAM E. WILLIAMS
District Director

Dear ,

On behalf of the citizens of the Town of Truro, let us take this opportunity to congratulate you on your graduation from Nauset Regional High School. We recognize your hard work and determination in accomplishing this milestone.

Throughout its history, Truro has been home to and has attracted greatness. Many writers, artists, musicians, academics, researchers, engineers, philanthropists and others who have contributed to their fields and to the world share the special bond of having roots in Truro. As you leave high school and enter the world of adulthood, we trust that you too will contribute to your chosen fields and to the world. We trust that you too will find greatness in whichever path you choose. And we trust that you too will always find “home” in Truro no matter where your path takes you.

We wish you the best of luck in your future endeavors as you enter adulthood, whether your plans include working, pursuing a higher-level degree, entering the military service, or travelling.

We hope you always look fondly on your hometown of Truro and that you participate in the democratic process we hold so dear.

Again, let us congratulate you on your achievement and wish you greatness in your future.

Sincerely,

Kristen Reed, Chair

Subject: Reappointment of Fred Gaechter to Board of Assessors

Hello,

Please see the note below in support of Fred Gaechter to be reappointed to the Board of Assessors from Chairman Boleyn.

RE: Fred Gaechter's interest in maintaining his membership on the Truro Board of Assessors.

Fred's presence on the Truro Board of Assessors has added strength and confidence to the Board in many ways.

Fred has worked well with the Truro Conservation Trust, Cape Cod national Seashore (70% land value in Truro), and many financial institutions preserving the integrity of Truro in terms of maintaining property stability, continuity, and the rural nature of the Town.

Fred lives in Truro with his wife, Judy.

We are fortunate to have Fred on the Board of Assessors due to his professional reputation, his widespread knowledge of the Town, Cape Cod and local social, civic and governing organizations gained from his many years of service as a good citizen – his enormous importance in terms of reputation, judgement and civic interest in Truro.

Fred's ability to forecast tax values, property growth & decline in the Town relative to neighborhood considerations, scenic views, geographic deterioration, landscape, site issues and considerations of near and long-term use is extraordinary.

Fred's presence on the board has enormous importance.

We enthusiastically welcome the return and long-term presence of Fred on the Truro Board of Assessors.

Chair – Bruce Boleyn
