Secondary assignment of follow up for missing information.

-Clarification requests

1. **5. Lower Cape Community Development Corporation DBA Community Development Partnership (CDP)-Lower Cape Housing Institute.**—Housing. Request for additional information and/or changes to current application regarding how many Truro residents attended the seminars in the last two years and how and who they will contact for future seminars. Betty Gallo will follow up with the requested information.
2. **6. Affordable Housing Trust- Housing.** Needs further review. We would like to see is a report from the Select Board on an annual basis which includes the details of where the funds from the Trust are being used, which should include a way to differentiate what portion of those funds came out of our Grant(s) that have been awarded over the years.
3. **7. Truro Central School-Truro Central School Early Childhood Playground.** Outdoor Recreation. Request for additional information and/or changes to current application submitted for review again at the next scheduled meeting. -Request for additional wording to include signage located at the playground stating hours available and improvements funded by... Lindsey will follow up with the requested information.

4. **8.** Preservation of Affordable Housing & Housing Assistance Corporation-Spring Rock Village, Brewster MA. 02631. Housing Needs further review. - Request for additional information and/or changes to current application submitted for review again at the next scheduled meeting. Jim will follow up with clarification if Truro residents will be allowed to make an application for housing based on working in Brewster or if Truro resident's children attend school in Brewster.

-Identification of applicants for invited discussions with follow up questions/issues pertaining to their specific grant requests.

Current Project Concerns/Updates.

-Annual Report discussion

New Business
