Re: CDBG Housing Rehabilitation Application for FY22/23

Dear Ms. Maddox,

The Truro Select Board writes in support of the FY22/23 Community Development Block Grant (CDBG) applications to the MA Department of Housing and Community Development (DHCD). These grants, including the Truro regional grant, will continue meeting the housing rehabilitation and childcare voucher needs of LMI (low-moderate income) residents in seven Cape Cod towns.

The affordable housing and economic development challenges across the Commonwealth are historically well documented; our current economic and health crisis has only exacerbated those challenges. Now, more than ever, CDBG funding is a vital resource for stabilizing and preserving existing homes in our region and ensuring that working families have affordable childcare.

The Housing Rehab Program provides homeowners earning less than 80% of the area median income with an opportunity to address critical safety and energy upgrades to their homes. The childcare component of these grants provides financial assistance for LMI families who rely on local, licensed childcare providers to care for their children while they are at work. Given the extraordinary current economic situation in our region, these programs typically reach full capacity by the third quarter of the fiscal year. Together, the Housing Rehab Program and Childcare Voucher Program play a vital role in stabilizing the year-round families living in these towns.

For FY22/23, the Housing Rehab Program is expected to serve approximately 45 households on the Outer Cape through the following grant:

- The Truro Regional Grant, serving the towns of Truro, Eastham, Harwich and Provincetown, will provide approximately \$1.7 million to rehab about 27 homes and provide childcare vouchers for up to 18 families.

The Board urges you to provide the funds requested so that our local communities can continue their work with LMI homeowners in need of critical home repairs and with working families in need of safe and affordable childcare for their young children. Thank you for your consideration of these proposals.

Sincerely,

Kristen Reed, Chair
