## Historical Commission Public Notice

RE: April 25<sup>th</sup>, 2024 - Public Hearing for 9 Bay View Road, Parcel No. 39-21-0

After posting the public hearing noted below, the Truro Historical Commission was contacted by the applicant to clarify the scope of the proposed work. As shown on the application and proposed plans posted on the Commission's website, the work consists of a gut remodeling and repair of each cottage, with replacement of windows and other components and installation of new foundations with matching footprints under each cottage.

The Chair and Vice Chair of the Historical Commission, having further reviewed the plans, have determined that the proposed work does not constitute a demolition as defined in the *Preserving Historic Properties* By-law. Accordingly, the proposed improvements are not subject to review under the By-law. The Public Hearing as advertised for a virtual GoTo Meeting will be opened at 5:00 pm on April 25, 2024, the Commission will indicate that it does not have jurisdiction over the proposed work and therefore will not take any action. The hearing will then be closed.
