

# TRURO CLIMATE ACTION COMMITTEE AND THE TRURO PUBLIC LIBRARY

*present:*

# SOLARPOWER

You may want to electrify your home, but find yourself wondering about electricity bills. Installing solar panels on your home or business could be the answer to transitioning away from fossil fuels, while also reducing monthly bills. Dick Elkin, from the Wellfleet Climate & Energy Committee and E2 Solar installation coordinator Desiree Revoir, will talk participants through the process of installing solar panels, including information about state and federal incentives and rebates.

**SATURDAY, MAY 20<sup>th</sup> @ 10:30 a.m.**

**TRURO PUBLIC LIBRARY**  
**7 STANDISH WAY NORTH TRURO**
