RE: Notification Peter Pan Bus Service – Provincetown to Hyannis Route

Dear Ms. Palmer:

I would like to inform you of a new bus service operating on Cape Cod between Provincetown and Hyannis. Peter Pan Bus Lines was awarded a 5311(f) subsidy from MassDOT's Transit and Rail Department to provide two daily round trips between Provincetown and Hyannis. An additional trip will be added during the peak summer season to address increased demand for services. The new Provincetown to Hyannis route will build on earlier Peter Pan service expansions and will provide customers with safe and reliable transportation on the Cape.

Peter Pan Bus Lines is committed to quality. We will use over-the-road wheelchair lift equipped buses to ensure all passengers can access the bus. In addition, Peter Pan Bus lines offers restrooms, free Wi-Fi and charging stations on each bus, professional drivers, and guaranteed seating. The route will link with existing Peter Pan services to Boston, Logan Airport, Providence, New York and beyond.

We look forward to serving residents and visitors to Cape Cod. I have attached a copy of the current schedule for your information. Additional information regarding fares and connections are available on our website at www.peterpanbus.com. Please feel free to contact Frank Dougherty, Vice President of Operations at should you have any additional questions at frankd@peterpanbus.com.

Sincerely,
