

The Town of Truro invites you to a

Public Meeting

Workshop 2 of the Low Lying Roads Project

Learn about possible solutions for the two identified low lying road segments: Shore Road at the Blue Sea Motor Inn and Stotts Crossing

Discuss potential traditional, green, and hybrid solutions for each identified road segment including associated cost estimates

Ask any questions about the presented solutions or about the project in general

Wednesday, April 12, 2023; 4:00pm
