PROGRAM SUPERVISOR
(OUT OF SCHOOL TIME COMMUNITY SUSTAINABILITY PROGRAM)

Position Purpose:
The purpose of this position is to perform administrative, programming, and supervisory and direct care work in the administration, planning, scheduling, directing the operations and managing Out-Of-School-Time Programming and other Community Sustainability Programming and provides direct care to program participants. Provides support for other Community Services Department functions as directed. Performs all other related work as required.

Supervision:
Supervision Scope: Performs very responsible duties requiring considerable judgment and initiative in completing work with a considerable amount of independent latitude.

Supervision Received: Works under the administrative direction of the Community Services Deputy Director: Recreation & Beach and Community Services Director; the employee functions independently referring specific problems to supervisor only where clarification or interpretation of department policies or procedures are required.

Supervision Given: Has supervisory responsibility for one to five full-time (or full-time equivalent) employees and all children enrolled in the programs.

Job Environment:
Majority of work is performed in a moderately noisy classroom environment. Some work is performed outdoors with exposure to various weather conditions. Some work is performed in an office setting.

Regularly operates a computer, telephones, facsimile machine, other standard office machines, and a variety of recreational equipment. Occasionally operates an automobile.

Interacts frequently with town residents, town employees, department staff, children, Truro Central School, and local community organizations. Contacts are in person, by telephone, in writing and involve discussing routine to complex information and require some perceptiveness and persuasion.

Has access to confidential and personal information about program participants, which requires the application of appropriate judgment, discretion and professional protocols.

Errors in judgment may result in significant delay or loss of services, possible injury to program participants, damage to buildings/equipment, monetary loss, and have legal repercussions.
