PRESS RELEASE

FOR IMMEDIATE RELEASE: August 3, 2021

At a public hearing on August 3, 2021, the Truro Board of Health voted to amend the current masking Rule & Order to require all persons, regardless of vaccination status, to wear a face mask before entering any business, or place of assembly, including but not limited to: retail establishments, restaurants, performance venues, social clubs, event spaces and places of religious worship or while attending an outdoor gathering or event with greater than 100 persons. This action amplifies the Board of Health's existing order to wear a mask inside any public building.

The Board of Health has scheduled a second public hearing for **Friday, August 6, 2021**** at 1pm to consider additional action that will provide specificity to the public and business community.

The Truro Health Department will continue to keep the public advised of further developments regarding COVID-19.
